Dispute resolution

Consumers may use out-of-court complaint and redress procedures, including the assistance of a consumer ombudsman or a permanent consumer arbitration court at a regional Trade Inspection office in Poland. Information: polubowne.uokik.gov.pl. Consumers from other EU countries may contact the European Consumer Centre in their country.

The EU Online Dispute Resolution (ODR) platform ceased operating on 20 July 2025.

Store platform

The Store runs on the Seller's own software on a server in Poland. The processing of data is described in the Privacy policy.

Rights to content

The texts, photos, graphics and logo in the Store are protected by law. They may not be copied or used for commercial purposes without our consent, except as permitted by law.
